WHITE LABEL

Actual Size

The image shows a label layout for ConveniCare Hand Sanitizing Wipes. At the top left is the ConveniCare logo, which consists of a red cross on a white background inside a dark blue rounded rectangle, followed by the word "ConveniCare" in white. Below the logo, the words "HAND SANITIZING WIPES" are written in large, bold, dark blue letters. Underneath that, it says "FDA Compliant" in blue and "70% Alcohol" in red. Further down, it lists "100 Wet Wipes 6"x6.75" 16.5 oz (422 g)". At the bottom left, there is a note: "Percent of alcohol exceeds FDA requirement for instant hand sanitization." On the right side of the label, there is a white box containing product information: "ConveniCare Sanitizing Wipes are formulated & FDA registered for antibacterial use on hands, but may also be useful in wiping off surfaces." Below this is a "Drug Facts" section with sub-sections for Active Ingredients, Uses, Warnings, When using this product, Stop use & ask a doctor if irritation & redness develop & persist, Keep out of reach of children, and Directions. At the bottom right, there is an "Inactive ingredients" section and a disclaimer: "Contains alcohol and may not be suitable for use on some surfaces; user assumes liability. FDA Registered NDC #20590-001-05 USA-made liquid; canister/wipes made in PRC ConveniCare dist. by Natural Trends, LLC Springville, UT 84663".
